

January 10, 1996    LR 289-290  
                         LR 282, 283, 291

This was their third undefeated season in ten years and they did win three state titles. It sort of reminds me of Nebraska football, but this is girls volleyball. They defeated Grand Island Central Catholic 15-5, 15-9. I wish to extend...the Legislature to extend their congratulations to their team and also to Coach John Petersen. Thank you.

SPEAKER WITHEM: Thank you, Senator Robak. And now for one of the most painful recognitions that I have to give as the Speaker of the Legislature this session, Senator Witek, to introduce LR 291.

SENATOR WITEK: Thank you, Mr. Speaker, members of the body. I will be as gracious as I can be trying to head off the resolution that I saw yesterday, any introduction of that resolution. This resolution simply congratulates the Millard South boys football team for being the Class A state football champs in a tough victory against the Papillion football team where both teams worked very hard, played very hard and, as you know, somebody has to come out the winner in these games, but I will be as gracious as possible in my congratulations of the Millard South Indians boys football team and I know Senator Withem joins me in that recognition as we both recognize all of the people who played, all of the staffs that were involved on that game. So I'd ask you to join me in recognizing the state champs, state football champs. Thank you.

SPEAKER WITHEM: Thank you, Senator Witek. Is there any discussion on any of the three resolutions? Hearing none, we'll proceed to vote. All of those in favor of LR 291 vote...282, 283, and 291 vote aye; those opposed vote nay. Record, Mr. Clerk.

CLERK: 34 ayes, 0 nays, Mr. President, on the adoption of LR 282, 283, and 291.

SPEAKER WITHEM: The resolutions are adopted. Senator Brown, are you going to introduce both 289 and 290? You're recognized to introduce LR 289. (LR 289-290)

SENATOR BROWN: Mr. Speaker, I am recognize...I am introducing both of the resolutions together. Mr. Speaker and members of the Legislature, UNL and the state of Nebraska are fortunate to
